

Something Green

MARCH 2019

March is all about green things and the children at Kidz Club will explore this theme by learning and participating in everything from St Patrick's day activities and educational experiences such as, watching green seedlings grow to focusing on Adelaide's exciting events during "March". This month also celebrates an important day know as Harmony Day on 21st. This is a day of cultural respect for everyone who calls Australia home - from the traditional owners of this land to those who have come from many countries around the world. Perhaps you could encourage your child to wear something Orange on that day.

Interactive Eperiences

Art

Green is the grass,
Under both my feet,
And green is the broccoli
My mother makes me eat!
