

April 2020

Weather and Seasons Month @ Kidz Club

This month the children will focus on experiences that encourage conversation and participation around the theme of Weather and the four Seasons. The aim of the activities is to introduce a focus on Science. We will also acknowledge Easter through hosting a fun and traditional Easter hunt.

We wish all families and healthy, safe and happy Easter.

Blossoming Butterflies

Weather Awareness month. Activities that help teach the little ones about our planet and how we can converse it. The best way to learn is through play.

Interactive Experiences:

- Post it boxes about the season and weather
- Flash cards to learn about recognition and enhance memory
- Small group time experiences with songs, stories and felt board investigating our earth
- Sensory experiences using natural materials
- Outdoor experiences to learn about plants, trees, shrubs and how to best care for them
- Collage on four seasons and learn about their efforts on the environment.

Terrific Turtles

Friendship and Easter

- Friendship flowers with children's hands
- Cooking little people shapes
- Rolling ball games with groups
- Sing "Ring a Ring a Rosie" in small groups
- Set up a tea party (outdoors) and invite your friends to participate
- Reading books about friendships
- Teaching children diversity and inclusion of all cultures
- Easter egg hunt at Kidz Club

Keen Kittens

Through children interests the Kindy Room will be learning about various science experiences on our seasonal weather

Interactive Experiences

A variety of different science experiences on the weather eg., four season, hot & cold. Counting, Sorting, Stacking temperatures, learning about bees and life cycle of other insects.

Reading books and discussing about plant and wildlife habitats globally and how we can protect and preserve them.

Name the various extinct species

Cooking Easter Anzac Biscuits
