MAY 20

The Month of May is a busy one with many interesting themes and topics for the children to explore. The children will learn about recognizing the significance of Reconciliation Week and will also learn to create fun heartfelt Mother's day crafts.

Our Family and Community theme, teaches children the importance of what it means to be connected to our culturally diverse community. Throughout the variety of community exposure we develop positive bonds, friendships, skills and emotions.

To all the mums at our Centre, Kidz Club wishes you a very Happy Mother's Day.

May it be filled with lots of love and cuddles from your precious child/ren.
