Bonjour à tous and welcome to our January newsletter!

The children participated in a fun art activity to welcome the New Year, and what great work they all produced!

Each month we will present a cultural event for the children to learn about life in France and its regions.

Bonne année à tous !

Best wishes to all families for a fantastic 2019!

Upcoming Events

le 11 janvier

Today we create a bande dessinée! (comic strip).

le 18 janvier

It's French biscuit making day!

le 24 janvier

Today the Children will learn about the French community in Adelaide!

Parents can access our French with Tintin, French language revision videos via the Kidz Club website.

Contact us to receive your access code to the programs.

More Important News!

French Linguistic Program welcomes all new children!

Our class size is close to thirty children, and it is great to see the older children assisting the younger children during the daily French lessons.

Our 2019 curriculum presents a fun, play based program of French language and cultural presentations encouraging the children to participate on a wonderful journey of learning a second language.

One of the many advantages of learning a second language is the augmenting of one's analytical and cognitive skill development.

Meilleurs Voeux!

Stuart A Blair BLang BA Hons Flin

Coordinator – French Linguistic Program

2019 Adelaide French Festival

The Adelaide French Festival consists of three separate events in as many locations.

It is a very exciting time indeed for families to immerse themselves into the language and culture that their children are learning at Kidz Club.

Each of the events that make up the festival present a full spectrum of the culture; Theatre, Music, Gastronomy, and Literature.

There are free events for children and adults to participate, and you can peruse the festival website for all event information.
