We welcome the spring season (le printemps) after a most wet and wild winter. We look ahead to a host of great cultural events!

Bonjour à tous and welcome to our September newsletter!

The children have been using the *Monsieur Potato Head* figures to describe their body parts in French language. Colours and shapes are also being revised in French along with other fun activities including the creation of unique French numbered finger puppets! (see image opposite)

Upcoming Events

le 11 Septembre

Today we learn about papier-mâché!

le 21 Septembre

Today we will be conducting a French games day!

le 25 Septembre

Today we continue creating our own bande dessinée!

More Important News

Fun with French!

The children enjoy their role play activities as it provides them with an opportunity to practice their French language whilst having fun with fellow classmates.

A French dinner setting has been created with images of food groups using French descriptions. Each child is allocated a series food.

The objective of the exercise is for the children to identify the image, ask another child for a food group for their plate and thank them whilst using French language.

Meilleurs vœux!
Stuart A Blair BLang BA Hons *Flin*
Coordinator
French Linguistic Program

Guest Lecturer - State Library of S.A - October 15

I will be conducting a series of 'Made up' language workshops from some of the classic pop culture TV shows and Films to the general public from 11am.

A unique cultural presentation will follow each language workshop!
