

# SPORTY MONTH

## @ KIDZ CLUB

This month's calendar of events is all about getting active and the health and well being benefits that participating in sports or physical activity can bring! Before the weather gets too cold, the children will join in different sporting games that promotes hand and eye co-ordination and gets everyone up and moving.

May the 12th is Mother's Day and is a significant date for children and their families to say thank you to their wonderful mummies.

**From all the staff "Happy Mother's Day" to our Kidz Club Mums!**

***Some of this month's structured themed activities align with our learning outcomes:***

***2: Children are connected with and contribute to their world***

***4: Children are confident and involved learners***

- Each month the theme for the programming at Kidz Club is based upon the interests of the children that is demonstrated while at play. These interests are recorded in the child's observation plan. Such observations assist to staff to develop educational and creative experiences that extend upon the child's interest and promotes positive learning outcomes.
